LADY HARDINGE DEAD

ing an operation.

Lady Hardinge was forty-six years old. She was married to Baron Hardinge in 1890, and leaves two sons and

howdah on an elephant's back with her husband December 23, 1912, mak-ing a state entry into the city of Del-hi, India, when a bomb was thrown at them, which wounded the Viceroy holding the umbrella over the heads of Viceroy and Vicereine. The escape of the Viceroy and his

wife was almost miraculous, and the occurrence caused a sensation through-

The dead noblewoman was a favor-e attendant of Queen Mother Alexandra and a warm friend of the pres-ent Empress of Russia.

SENATE PASSES MEASURE

Appropriation is Cut From \$215,000 of Original Rill to \$100 and other crops.

Original Bill to \$100,000

Compromise.

Washington, July 11.—The bill to pay the Virginia Military Institute \$100,000 for damages sustained when the institute was burned by United States troops was passed vesterday by the Senate.

The original bill, which was introduced in the Senate by Mr. Hay, provided for the payment of \$215,000, but the Senate committee cut the appropriation down.

This was agreed to by Senator Martin, who believed its passage was assured at thel ower sum, while its passage with the higher sum was practically impossible.

Masons Honor Latham.

Enduring Paint.

Enduring Paint. Good to See Their Names in Enduring Paint.

There comes a story from headquarters that the Southern Railway engineers, who have made exceptionally good records in keeping their locomotives in good condition, are to be honored by having their names painted on the panels of their cabs. In announcing this new plam, Vice-President and General Mannger E. H. Coapman states that it has been adopted as a mark of Southern Railway's appreciation of the interest which its engineers have taken in the condition, and appearance of their locomotives. Southern Railway practice is, as far as possible, to allow each regular engineer to have his individual locomotive. The engineers feel a great personal pride in the appearance of Southern Railway to make the company has co-operated with the rocomotives, and many of them have been beautifully decorated, in which the company has co-operated with the more provided the superance of Southern Railway to company has co-operated with the more possible, to allow each regular engineers for a statistic of the attractive appearance of Southern Railway to company has co-operated with the more possible, to allow each regular engineers for a statistic of the appearance of Southern Railway to company has co-operated with the more possible, to allow each regular engineers for the appearance of Southern Railway to complete the superance of Southern Railway to company has co-operated with the more possible, the superance of Southern Railway to company has co-operated with the more possible to allow the superance of Southern Railway to company has co-operated with the more possible to allow the superance of Southern Railway to company has co-operated with the more possible to allow the superance of Southern Railway to company has co-operated with the more possible to allow the possible to allow the superance of Southern Railway to company has co-operated with the more possible to allow the superance of Southern Railway to company has co-operated with the more possible to the superance of the close of the city and store to the superance of the spread attention and much favorable spread attention and much favorable comment. Under the new arrangement, each engineer who has run an individual locomotive for a stated number of miles rated according to the class of the engine, without going into the shop for general overhauling, will have his name placed on the cab warsel. The arrangement was effectively. will have his name placed on the cab panel. The arrangement was effec-tive July 1, but mileage made during the past two years by engineers run-ning individual locomotives will be

of out-of-town work. R. E. Garmer, 425 West Main Street. Madison 6361.

PANAMA hats are made of a fabric that to a certain extent is very delicate. If in the process of cleaning the proper ingredients are not used the bat is spoiled as to appearance and texture. When You send your hat to us you can be assured of best cleaning process and remodelling into latest shapes. The lattest style for women is the sailor, and for men the pencil curl. These fashions are "talk of the town." See Verra Hat Works, 211 North First Street.

MOVING picture machines, all makes and supplies furnished by us. C. B. Haynes? Co., 121 West Broad Street. GETTING down to facts, it's throwing

HUMAN hair bought and sold at Hughos's. 209 North Third Street.

WANTED, you to know that W. H. Cowardin's Sons' prices on watch and jewelry work are the lowest in town. Satisfaction is guaranteed. 1815 East Main.

PANAMAS and straws are about due for another cleaning. Remember that we have none but the most expert workmen; also that your hat goes through several hands before completion. Finally it is inspected. That's why we feel capable of doing your hat to your satisfaction. We have the block for the sailor hat and the pencil curl. These are in fashion. Depend on Verra Hat Works, 211 North First Street.
